May 19, 2016

Mr. David Sneed
Executive Director
School Building Authority of WV
2300 Kanawha Boulevard, East
Charleston, WV 25311-2306

Dear. Mr. Sneed:

Fayette County Schools has decided to return the 630,675 MIP Grant for Ansted Middle School. The project was awarded in 2015 and was to be part of a 2,103,750 renovation project for Fayette County. Due to the unsuccessful bond attempt in June of 2015, the renovation plans could not be completed.

The 630,675 was for the installation of two electric boilers at Ansted Middle School. The current condition of the building, including the hot water delivery system, is not conducive to the installation of the boiler. As such, the total renovation can't be completed. After consultation with Deputy Superintendent Daniel we have decided the best course of action is to return the funding.

If there are any required forms to be completed by Fayette County, I would request that those forms be forwarded to my office as soon as possible. Should you have any questions, please contact me at 304-574-1176 or via email at tgeorge@k12.wv.us.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Terry George', is positioned above the typed name.

Terry George
Superintendent
